Mr. Bodnaruk,

You visited the EPA R2 Superfund Record Center this week and reviewed files for the Fair Lawn Well Field Superfund site. It is my understanding that you scanned the files you were interested in during your review. Please confirm that your FOIA request EPA-R2-2014-000578 submitting by Mrs. Nicole Sullivan has been satisfied. We will then close out the request in FOIAOnline.
Thank you.
